Invitation

The organising committee of the Royal Australian Chemical Institute (RACI) Interact 2006 Conference invite you to participate as a sponsor of this important event, to be held in Perth, Western Australia at the Burswood Convention Centre, 24 to 28 September 2006.

RACI Interact 2006 is an international conference of the following participating groups and organisations:

Royal Australian Chemical Institute
Division of Analytical Chemistry
Division of Environmental Chemistry
Division of Electrochemistry
Australasian Society of Ecotoxicology
Clean Air Society of Australia and New Zealand

The theme of the conference is: "*Air, Water and Earth, Interact in Perth*". Prominent national and international speakers and an exciting technical program will set the scene for a challenging conference.

Social events will compliment the technical program to ensure that delegates also enjoy their visit to Western Australia.

Publicity for the conference will be widespread. The conference will provide your organisation with a unique opportunity to promote your products and services and showcase your organisation's continuing commitment to quality and best practice, to both existing and potential clients.

The sponsorship prospectus has been tailored to provide you with maximum exposure to a relevant and interested audience and is an excellent medium for your organisation to demonstrate its involvement in this area.

The sponsorship packages offer a variety of marketing objectives and are flexible. If there are other avenues of involvement you would like to discuss, please call Roger Schulz on 0419 904 285 or Promaco Conventions on 08 9332 2900.

All sponsors will be acknowledged throughout the event, with Platinum and Gold Sponsors receiving prominence prior to the conference, in printed and/or electronic material and announcements.

"*Air, Water and Earth, Interact in Perth*" is a conference that will be too good to miss. You can be assured of a successful and rewarding experience for all participants and a great marketing opportunity for your organisation.

RACI Interact 2006 Organising Committee:

Oana Chirila (Conference Chair)
Dr Jill Woodworth
Dr Tarren Reitsema
Anthony Stuart
Peter McCafferty (Secretary)
Roger Schulz (Sponsorship)
Helen Schulz (Social)

Overview

The Royal Australian Chemical Institute Incorporated [RACI Inc] is both the qualifying body in Australia for professional chemists and a learned society promoting the science and practice of chemistry in all its branches.

Who Should Attend

RACI Interact 2006 will provide a unique opportunity for scientists to extend their knowledge in their respective professional fields. It has been proven over and over that despite the technical advances in communications, face to face contact and discussion is still the best method of learning new things.

The Committee is currently pursuing keynote speakers including Nobel Prize winners, who will set the scene in our themed areas of air, water and earth. Interact 2006 should not be missed.

CONFERENCE SECRETARIAT:

Promaco Conventions Pty Ltd
ABN 68 008 784 585
PO Box 890, Canning Bridge WA 6153
Tel: 08 9332 2900
